

NOTICE

WORK IN COUNTY ROAD RIGHT OF WAY

PERSONS WORKING IN THE COUNTY ROAD RIGHT OF WAY INCLUDING DITCH CLEANING AND DRAINAGE MUST HAVE A PERMIT FROM THE HIGHWAY DEPARTMENT.

MOWING COUNTY ROADS

The Traverse County Highway Department will begin mowing bituminous surfaced roads on June 18, 2018. After July 4th the aggregate surfaced roads will be mowed. First mowing includes a top cut on shoulders. Second (fall) mowing includes top cut and six foot side cut on in-slope. Noxious weeds will be mowed or sprayed whenever they can be identified.

Neighboring landowners are welcome to cut ditches for hay but must bring a map of haying locations into the Highway Department prior to June 15, 2018. Haying shall be done in a timely manner to control vegetation and weeds and to improve safety.

Persons mowing road ditches **should not blow** clippings onto the roadway. The clippings cause problems in the gravel windrow.
