

Board Resolution

Whereas: The Traverse County Board of Commissioners desires to implement the following Sandbag Policy.

Therefore, be it resolved: That the following policy shall go into effect as of this date, March 19, 2019.

Traverse County Sandbag Policy

Traverse County Emergency Manager and County Highway Department will work with the Cities within the County with the coordination needed to protect Public Infrastructure. Cities will be responsible for the sandbags they receive. Traverse County Residents can purchase sandbags from the Emergency Management Department at the address below.

Emergency Management Department Address

708 3rd Ave North, Wheaton, MN 56296

Prepayment Required - Make Checks Payable to: Traverse County

Prices will vary by year based on supplier prices. 2019 Price = \$0.65/bag

Note: Filling bags with sand will be up to the individuals and can be done at the sites listed below.

Traverse County Residents can get sand at these designated sites within the County.

Wheaton – 2nd Ave N and 2nd St N in Wheaton (By Recycling Center)

Dumont – County Outshop: Hwy 75 & Brown St, or a place designated by Dumont Fire Department.

Browns Valley - County Outshop: 2nd Ave S & Park St in Browns Valley

Tintah - County Outshop: Dakota Ave & 3rd St in Tintah

Another option is for individuals to purchase sandbags and sand through other sources. Two companies we are aware of that sell sandbags.
